News for the neighborhood
Borgo Sanzio

Have you recycled
correctly?

**Now
PEDAL!**

**Correctly separate your
waste and try to win an
electric bicycle*!**

Initiative valid from October 5th to December 5th 2026

*Up for grabs: 2 EVERIDE E5000 pedal-assist electric bikes.

Residential
Users

Participating is simple

1

download the app

"Ricicla e Vinci" and register by following the instructions: just a few steps.

2

use the containers

for separate waste collection. If you don't have them, collect them from the BORGO SANZIO and CAIROLI Municipal Collection Centers. Bring an identification document with you.

3

dispose of waste correctly

respecting the days and times indicated in the calendar. A waste management worker will record your waste. You will be able to monitor them on the app.

4

get a ticket to the drawing

by accumulating points. Every 2 points will get you 1 ticket. You can get up to a maximum of 2 tickets.

Follow the *calendar*

Sunday	Plastic and Metal Packaging	
Monday	Food waste and compostable bioplastics	
Tuesday	Paper and Cardboard	Cardboard Packaging
Wednesday	Food waste and compostable bioplastics	Glass packaging
Thursday	Non Recyclables	
Friday	Food waste and compostable bioplastics	

Dispose the waste in front of your house number in the appropriate containers from **8:00 PM to 10:30 PM**

What *to* give

Brown bin and certified biodegradable and compostable bag

FOOD WASTE AND COMPOSTABLE BIOPLASTICS

What to dispose of: food scraps and vegetable or animal kitchen waste, coffee grounds and tea bags, white paper napkins only if soiled with food, cut flowers, small plants, leaves. **Compostable bioplastics** (packaging such as shopping bags and fruit and vegetable bags, tableware, films, trays, containers, netting) bearing one of the following marks on the individual item or on the packaging:

What NOT to dispose of: plastic, glass, paper and cardboard, aluminium, metals, composite materials (multi-layer), diapers and incontinence pads, sanitary pads, chewing gum, mussel, clam and similar shells, cigar and cigarette butts, pet litter, pruning waste (diameter greater than 5 cm), non-compostable baking paper, laminated or aluminium-coated paper, vacuum dust or other household cleaning waste, used vegetable oil, textiles.

Yellow bin or semi-transparent bag

PLASTIC AND METAL PACKAGING

What to dispose of: plastic bottles, food and yogurt containers, disposable cups, wrapping film and polystyrene, household and personal hygiene product bottles, food bags and pouches, fruit and vegetable nets, meat and fish trays, empty plastic and aluminium tubes for toothpaste, creams, and ointments, blister packs, clothes hangers (plastic hangers and steel ones from laundries), beverage cans, spray cans (empty), boxes, tins, metal jars and cans (steel and aluminium), caps and lids, aluminium tubs, plates, and trays.

What NOT to dispose of: bulky plastic items (basins and buckets), toys, household appliances and their parts, glue, nail polish, and paint containers, plastic cutlery, rubber objects, CDs, DVDs, video cassettes including their external containers, plastic and/or rubber pipes, electrical cables and components, film, photographic plates, and bioplastic bags, lighters, technical gas cylinders and canisters (e.g., camping gas, water carbonators, helium for balloons, refrigerant gases, etc.).

Blue bin or semi-transparent bag

PAPER AND CARDBOARD

What to dispose of: food containers (e.g., pizza, chips, fried foods, etc.) without food residue, paper bags (e.g., bread, fruit and vegetables, flour, sugar, etc.), newspapers, magazines, comics, commercial printing, sheets of paper of any size, cardboard sleeves, paper or cardboard packaging such as preserves, shoe boxes, all cardboard packaging for household and personal hygiene products, medicine boxes, paper cups, clean paper napkins and towels, cardboard tubes, receipts (plain paper and thermal paper if they state on the back that they are recyclable because they are phenol-free), beverage and food cartons (e.g., juice, milk, sauce).

What NOT to dispose of: receipts (if made of other thermal paper), waxed paper, plastic-coated paper, baking paper, used paper towels, cardboard packaging with food residue, soil, or chemical stains. In general, anything that isn't paper.

CARDBOARD PACKAGING

Corrugated cardboard and cardboard packaging that is not soaked in substances, and does not contain adhesives, metal, or plastic.

Green bin without bag

GLASS PACKAGING

What to dispose of: bottles, food containers, jars, small bottles, and flasks. Items must be empty and without caps of any kind (metal, plastic, or cork).

What NOT to dispose of: plastic bags, crystal objects (chandeliers, centerpieces), glass glasses, mirrors, ceramic and porcelain objects, glass-ceramic containers, light bulbs, window glass, car windows, headlight glass, neon tubes, glass medicine containers.

Grey bin or semi-transparent bag, NO black bag.

NON-RECYCLABLE

What to dispose of: diapers and incontinence pads, sanitary napkins, mussel, clam and similar shells, nylon stockings, non-recyclable rags, cigarette butts, vacuum cleaner dust and bags, audio cassettes, DVDs, razors, brushes, laminated and baking paper, plasters, chewing gum, thermal paper such as that found on some receipts.

What NOT to dispose of: all separable and recyclable materials (glass, paper, cardboard and paperboard, plastic, steel and aluminium, food leftovers, kitchen waste and compostable bioplastics), small and large WEEE, bulky waste, pharmaceuticals, batteries and accumulators, used vegetable oil, wood.
